**DELTA MODULAR
SOLUTIONS INC.**

**WE
BUILD FOR
SUCCESS.**

**FOR
PEOPLE.**

**FOR
BETTER
LIVING.**

Proudly serving communities across Canada, DMS Inc. has the experience, capacity, and heart to bring your vision to life.

ABOUT US

DMS Inc. is proud to be part of a growing movement that's changing how construction is done. By using innovative off-site modular construction methods, we're helping to make the process faster, smarter, and more sustainable.

HEADQUARTER

**Calgary, AB,
Canada**

WHY CHOOSE DMS INC.?

Expertise

We understand Canadian zoning, climate, and terrain—and build accordingly.

Client-First Approach

Your goals drive every decision, from floor plan selection to site logistics.

Trusted Partnerships

We only work with reputable Canadian manufacturers who meet high standards for quality, energy efficiency, and code compliance.

**DIVERSE
SOLUTIONS
TAILORED TO
YOUR EVERY NEED.**

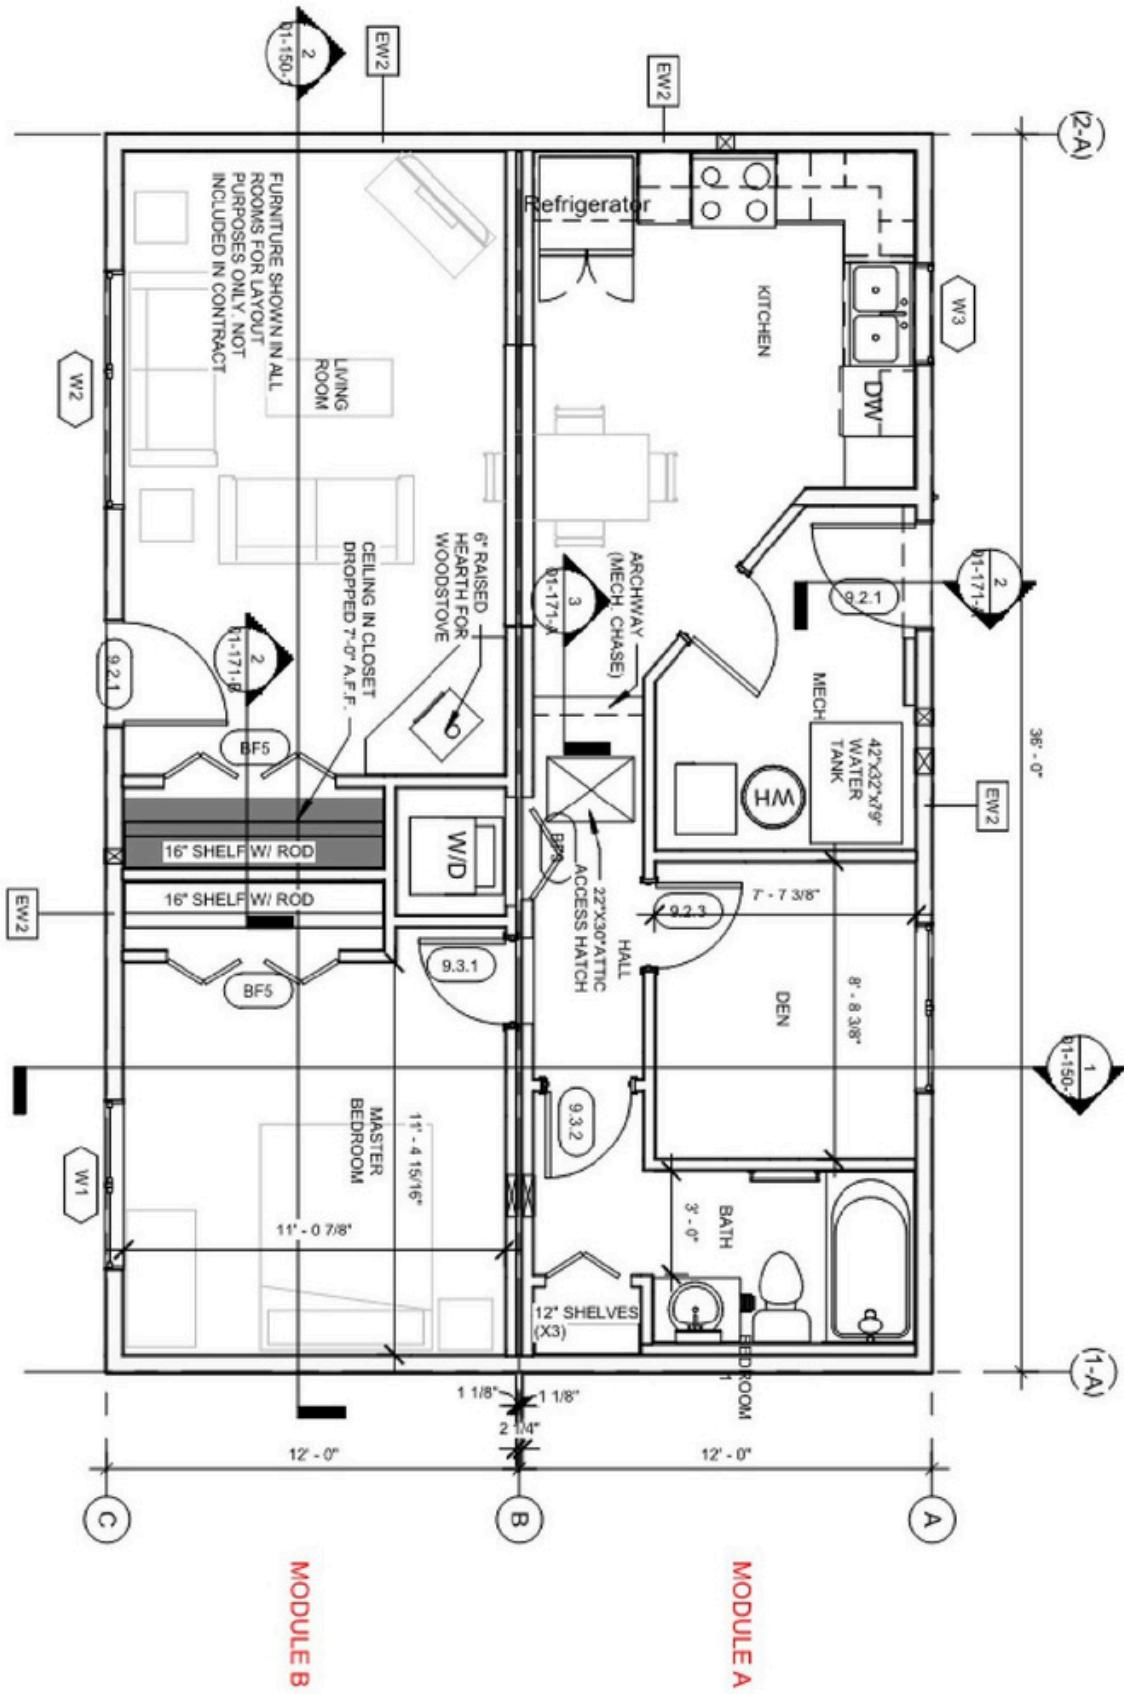

AREAS OF FOCUS

At DMS Inc., we make modular home ownership simple, flexible, and future-ready. Based in Southern Alberta, we specialize in providing complete, turnkey solutions for clients looking to build high-quality, factory-built homes.
